Subject: Amendment to the 2002 SHOPP

RECOMMENDATION

I recommend that the following 2002 SHOPP Managed TEA Program Amendment be approved:

SHOPP Amendment 02H-046 (TEA)

Programs a total of \$800,000 from SHOPP Managed Transportation Enhancement Activities (TEA) funds for one project. Including local match funds of \$175,000, the total cost is \$975,000.

This project replaces a Second Round TEA project (PPNO 04-2032) that was determined to be ineligible because the work was required mitigation for another project. The new project provides enhancements to pedestrians and bicyclists and therefore is eligible for SHOPP TEA funds. The following table summarizes information for the project, with the costs shown in thousands. Additional details for this project are shown on the following page.
